

National Forum for Black Public Administrators
Central Texas Chapter

The mission of the NFBPA is embodied in the organization's commitment to strengthen the position of Blacks within the field of public administration; to increase the number of Blacks appointed to executive positions in public service organizations; and, to groom and prepare younger, aspiring administrators for senior public management posts in the years ahead.

The background of the page features a photograph of a tall, stone clock tower at night. The tower is illuminated from within, and its clock face is glowing. To the left of the tower, there is a colorful mural on a wall. In the distance, the Texas State Capitol building is visible against a dark sky. The overall scene is set in an urban environment.
